

TOWNSHIP OF JOCELYN

BUSINESS CONTINUITY PLAN-COVID-19

MARCH 16, 2020

COVID-19 (novel coronavirus)

All the information provided in this document has been gathered through Algoma Public Health, Ministry of Health, World Health Organization and Governments of Canada and Ontario. It is imperative that the information we provide is credible.

There have been no cases of COVID-19 confirmed in Algoma District at this point in time.

We are taking preventative measures in order to guide and protect our employees and the public from COVID-19.

The suggested approach that this Council is taking will be Public Awareness and Continuity of Business.

PUBLIC AWARENESS

We will provide a newsletter to be sent out to everyone through a postal walk providing information on ways to protect yourself and your family from COVID-19.

Information will be provided on our website and facebook page and updated as new information is collected.

All public municipal buildings will be closed to the public until such time Council deems safe to reopen.
