

GIVE YOUR UNWANTED ELECTRONICS AN AFTERLIFE

Jocelyn Township has an ELECTRONIC BIN at the Landfill.
Please place items carefully in the bin.

DO NOT SCAVENGE IN THE BIN

Ontario Electronic Stewardship, a non-profit industry organization, oversees the responsible reuse and recycling of electronics - free of charge. This program was developed with **Waste Diversion Ontario**, on behalf of the Ontario government, under the **Waste Diversion Act**. This program will help protect human health, water ways and ecosystems while creating a cleaner environment for all Ontarians.

MANDATE

Diverting electronic waste from Ontario's landfills and responsibly disposing of it.

When you bring your old, unusable electronics to OES Sites, you're helping to:

- * Keep end-of-life electronics out of landfills
- * Prevent them from being illegally exported or handled by irresponsible recyclers
- * And you're
