
Campfire Safety

- Before setting up a campfire, be sure it is permitted. Get a fire permit from the Jocelyn Township Office. For info call 705-246-2025 or email www.admin@jocelyn.ca
- Campfires need to be at least 25 feet away from any structure and anything that can burn.
- Clear away dry leaves and sticks, overhanging low branches and shrubs.
- Avoid burning on windy, dry days. It is easier for open burning to spread out of control when it is windy and dry.
- Watch children while the fire is burning. Never let children or pets play or stand too close to a fire.
- Attend to the campfire at all times. A campfire left alone for only a few minutes can grow into a damaging fire.
- Keep a campfire small which is easier to control.
- Never use gasoline or other flammable or combustible liquids.
- Always have a hose, bucket of water, or shovel and dirt or sand nearby to put out the fire. Make sure it is completely out before leaving the site.
- If your clothes catch fire, stop, drop and roll. Stop to the ground and cover your face with your hands. Roll over and over back and forth until the fire is out.
- Treat a burn right away. Cool the burn with cool water for 3 – 5 minutes. Cover with a clean, dry cloth. Get medical help if needed.

ROAST WITH CARE:

If roasting marshmallows, help young children. Never shake a roasting marshmallow. It can turn into a flying, flaming ball. A heated metal skewer can cause burns.

Township of Jocelyn
