

## Jocelyn Ratepayers

**The Ontario Electronic Stewardship Program that collected end-of-life electronics for recycling will cease operating on December 31st, 2020.**

**The Jocelyn Landfill will no longer be able to accept electronics for recycling once this program ends.**

**Electronics are still being accepted at the bin at the Landfill until December 31st during open Landfill days.**

**A new electronics recycling program will start in the spring of 2021.**

**Freon removal tickets and Landfill Tipping slips are still being sold at the Township Office.**

### **Help keep yourself safe**

#### **Safety tips**

- Wash your hands often with soap and water for about 15 seconds, including:
  - before and after eating
  - after you have been in a public place
  - after using the washroom
  - after coughing and sneezing
  - after touching surfaces that other people also touch.
- Stay healthy by eating well, drinking lots of water, getting regular exercise and plenty of rest.
- Get your annual flu shot.
- Avoid close contact with people who are sick. When you are sick, keep your distance from others to protect them from getting sick too.
- If possible, stay home from work, school, and errands when you are sick. You will help prevent others from catching your illness.
- Cover your mouth and nose with a tissue when coughing or sneezing. It may prevent those around you from getting sick.

#### **Prepare now**

Add these items to your emergency survival kit:

- alcohol-based hand sanitizer that's between 60 and 90% alcohol
- medicines for headaches, coughs and fevers
- thermometer
- anti-diarrheal medication
- drinks with electrolytes
